Page 45 of 128

Board Bill No. 238CS Introduced by Alderman Frank Williamson

(1) The following bi-weekly pay schedule for each Executive pay grade, denoted by the suffix "E," is currently in effect and extends through the term of office for each elected official:

GRADE	BI-WEEKLY RATE
1E	\$3491
2E	\$4315
3E	\$5070

(2) The following bi-weekly pay schedule for each Executive pay grade, denoted by the suffix "E," shall become effective beginning with any term of office starting in 2015:

GRADE	BI-WEEKLY RATE
1E	\$3491
2E	\$4315
3E	\$5070

(3) The salary of an elected official shall not be increased during the term of office.

**(f) SHIFT DIFFERENTIAL:** Shift differential shall be paid for certain work assignments. The Director of Personnel shall determine the work assignments for which shift differential will be paid. The assignment or removal of an employee from a work assignment having a shift differential shall be determined by the appointing authority and will not constitute a promotion,

1 demotion, advancement or reduction in pay. The shift differential shall be added to the  
2 employee's regular bi-weekly rate.

3  
4 (1) In order for an employee in Section 2(a) or 2(b) to be eligible for shift differential  
5 compensation, the employee must work a shift that requires the completion of four (4) hours of  
6 work between the hours of 4:00 p.m. and 8:00 a.m. the following morning. Employees shall be  
7 entitled to receive shift differential compensation for no more than one shift worked between the  
8 hours of 4:00 p.m. and 8:00 a.m. Employees who are assigned to work schedules that require  
9 them to rotate among three shifts (day, evening, night) on a bi-monthly or more frequent basis  
10 shall be eligible for shift differential compensation for all three shifts worked.

11  
12 For employees whose pay range is established in Section 2(a) or 2(b) the shift differential  
13 premium shall be one percent (1%) of the employee's regular base bi-weekly rate for each  
14 eligible shift worked in a bi-weekly pay period.

15  
16 An employee whose pay range is established in Section 2(a) or 2(b) shall receive shift  
17 differential for working a portion of an eligible shift, provided the portion of the shift not worked  
18 is charged to paid leave. Shift differential shall only be paid for whole hours worked; a fraction  
19 of an hour shall not be counted toward the payment of the differential.

20  
21 (2) For those employees whose pay range is established in Section 2(c), the shift  
22 differential premium shall be \$2.00 per hour for each hour worked between 11:00 p.m. and 7:00  
23 a.m. during an eligible shift. Employees must work at least 12 hours of a regularly assigned 24

1 hour shift to be eligible for any shift differential for the shift. Such employees shall not receive  
2 shift differential for overtime worked, which is not part of their regular schedule. This provision  
3 will not go into effect until shift differential is agreed upon by the Director of Personnel and the  
4 Union (Local 73) in writing.

5  
6 Except shift differential premium shall be \$2.00 per hour for each hour worked between  
7 11:00 p.m. and 7:00 a.m. during an eligible shift to be paid to Overtime Code 3 Fire Equipment  
8 Dispatcher classifications whose pay range is established in Section 2(c).

9  
10 (3) For Police Officer Trainees and employees whose pay grade is denoted with the  
11 suffix D the night shift differential shall be ten percent (10%) of the hourly rate for all full hours  
12 worked between the hours of 11 p.m. and 7 a.m. and all 8 hour shifts beginning between 10:30  
13 p.m. and 11:30 p.m.

14  
15 (4) Except as otherwise provided in this ordinance, shift differential shall not be paid  
16 to employees compensated on an hourly or per performance basis, or bi-weekly paid employees  
17 who work part-time. Neither shall shift differential be paid to full-time regular employees  
18 docked for any portion of an eligible shift.

19  
20 (g) **WEEKEND DIFFERENTIAL:** When employees whose pay range is established in  
21 Section 2(a) or 2(b) work on a Saturday and/or a Sunday they shall be eligible for weekend  
22 differential. This differential shall be one percent (1%) of an employee's base bi-weekly rate. An  
23 employee shall receive weekend differential for working any portion of an eligible day. This

differential shall only be paid for full hours worked, providing the portion of the day not worked is charged to paid leave. Weekend differential shall not be paid to employees compensated on an hourly or per performance basis or bi-weekly paid employees who work part-time. Neither will the weekend differential be paid to full-time regular employees docked for any portion of a day on which the differential would otherwise be paid.

**(h) COMMUTING ALLOWANCE:** Employees residing within the corporate limits of the City of St. Louis who are regularly assigned to a position located in a City institution, agency, or facility located outside the corporate limits of the City of St. Louis, and who are regularly assigned to a five-day, forty-hour weekly work schedule, shall be entitled to a commuting allowance in the amount of one hundred forty-one dollars (\$141.00) bi-weekly on the effective date of this ordinance. Eligible full-time employees who are assigned to an alternate form of work schedule which reduces the frequency of commuting to work shall be entitled to a commuting allowance which is reduced in proportion to the reduced frequency of commuting. City employees who are temporarily assigned duty to a facility located outside the corporate limits of the City of St. Louis shall be entitled to a per diem rate for the duration of the assignment. No employee living outside of the corporate limits of the City of St. Louis shall receive a commuting allowance.

A period of absence of ten (10) working days or more shall result in suspension of eligibility for the commuting allowance. Suspension of the commuting allowance shall begin during the pay period in which the tenth (10th) day of absence occurs and shall continue for any subsequent full or partial pay periods during the period of absence. Upon return to duty from

such absence, an employee again shall be eligible for commuting allowance upon completion of the first full pay period of service for which the allowance would normally be paid.

Employees for whom any form of free transportation (car, truck, bus, etc.) is provided by the City from a place within the corporate limits of the City of St. Louis to the work site and back shall not be entitled to the commuting allowance.

5       A person occupying a position as a member of a Board, Commission or Committee shall

6 be paid at the per-day, per meeting or per month rate established above.

7

8   (j)   The Director of Personnel may establish per performance rates of pay, hourly rates of

9 pay, or rates of pay for units of work and the conditions for making of any such payments. Such

10 per performance, hourly, or unit-of-work rates may be computed from the bi-weekly scales

11 established in this ordinance. Per performance, hourly, or unit-of-work rates shall be established

12 considering the nature of employment, community practices in compensating similar

13 employment, and the purpose of the program for which the rate is established. Employees paid

14 per performance, hourly, or unit-of-work rates of pay shall not be entitled to vacation, medical

15 leave or holiday leave with pay or other benefits accorded employees paid a bi-weekly rate

16 except that an appointing authority, with the prior approval of the Director of Personnel, and

17 when sufficient funds have been appropriated for the fiscal year, may establish a modified level

18 or type of benefit program when the provision of such benefit is needed in order to attract and

19 retain sufficiently qualified employees to work in specific per performance, hourly, or unit-of-

20 work assignments.

21

22       Appointing authorities are not permitted to utilize per performance and hourly employees

23 as a method of replacing bi-weekly rate employees who would be entitled to employee benefits.

Therefore, per performance and hourly employees will be limited to work an equivalent of ten (10) months of full time employment (1,733 hours) per year.

**(k)** The Director of Personnel may establish trainee rates of pay. Such trainee rates may be established on an hourly, per performance or bi-weekly basis and shall be less than the rate paid to a regular employee.

**(l)** The Director of Personnel, with the assistance of appointing authorities concerned, may establish rates and conditions under which compensation may be granted for periods of time during which an employee is away from the job site but restricted in his/her activities because of an assignment by the appointing authority to be available for a call to return to the work site to perform emergency duties. Pay rates and conditions established under the provisions of this Section 2(l) may include reasonable minimum pay guarantees for employees required to return to the work site to perform emergency duties. The provisions of this Section 2(l) shall not be construed to restrict the right of an appointing authority to establish call back procedures for employees as an established condition of employment.

**(m)** The Director of Personnel may authorize payment of special recruitment bonuses, travel, moving and related expenses to recruit employees for positions when funds for this purpose are appropriated to the Department of Personnel.

**(n)** The Director of Personnel may approve the payment of hiring incentives to current employees to recruit qualified personnel for positions that are difficult to fill. Hiring incentives

1 shall be in any amount up to twenty-five percent (25%) of the annual salary of the position for  
2 which the recruitment is made.

3  
4 (o) (1) An appointing authority, with the prior approval of the Director of Personnel, may  
5 establish cash awards or other incentives for an employee or group of employees to recognize  
6 and reward increased productivity or effectiveness. The incentives offered may include cash,  
7 paid time off, and such other reasonable incentives as the Director of Personnel may determine.  
8 Cash awards shall be made from the personal services appropriation of the unit, the account from  
9 which the employee's salary is paid or from a general appropriation for this purpose.

10  
11 (2) The Director of Personnel, upon the request of the appropriate appointing  
12 authority, may establish a program of cash awards or other incentives, not to exceed ten percent  
13 (10%) of annual salary, paid as an addition to pay, for the purpose of providing additional  
14 compensation for employees who are fluent in a foreign language and who use this skill in the  
15 necessary and regular recurring performance of the duties of their position. Cash awards shall be  
16 made from the personal services appropriation of the unit, the account from which the  
17 employee's salary is paid or from a general appropriation for this purpose. Cash awards and  
18 incentives under this program shall be made in accordance with guidelines established by the  
19 Director of Personnel.

20  
21 (3) Notwithstanding any other provision in this ordinance, the Director of Personnel  
22 is authorized to extend the maximum of the pay ranges by up to forty percent (40%) for the  
23 purpose of compensating positions which are extremely hard to fill.

1  
2           (4)     The Director of Personnel may provide an Employee Suggestion Program, which  
3 grants cash and other awards to recognize employee suggestions, which improve City services,  
4 operations or facilities. Cash awards to employees for suggestions resulting in tangible savings  
5 to the City shall not exceed ten percent (10%) of the annual tangible net savings. Cash awards  
6 and payments for other awards shall be made from an appropriation for a suggestion program or  
7 other appropriate account. Additionally, cash awards for suggestions shall be granted as an  
8 addition to pay, which does not change an employee's bi-weekly rate. The Employee Suggestion  
9 Program shall be administered in accordance with regulations established by the Director of  
10 Personnel. The Director of Personnel may establish an authority to evaluate suggestions and  
11 determine awards; the decisions of this authority shall be final.

12  
13    

(p)     An employee who is appointed to a position requiring advanced technical skills or  
14 professional qualifications may be paid at a higher rate than prescribed for the class in Section 2  
15 of this ordinance on recommendation of the appointing authority with the prior approval of the  
16 Director of Personnel. Such advancement shall be made solely on the basis that the employee  
17 possesses exceptional academic qualifications related to the duties of the position or that the  
18 employee is registered or certified by an organization or board recognized by the Director of  
19 Personnel to be especially suited, considering the duties of the position, and when such academic  
20 qualification, registration, or certification is not deemed a necessary qualification for the class of  
21 position.

1       The Director of Personnel may also establish other bonus, incentive, or reimbursement  
2 programs to encourage current employees to attain registration, licensure, certification, or proof  
3 of professional mastery when it is deemed to be in the best interest of the Classified Service, or  
4 when such credentials are clearly recognized as adding to the capability of individuals in that  
5 area. Incentives, bonuses, or reimbursements awarded under such programs do not result in an  
6 employee being ruled ineligible for bonuses or salary increases permitted under other sections of  
7 this pay ordinance.

8  
9       **(q)** An appointing authority may, with the prior approval of the Director of Personnel,  
10 establish a program to reimburse, in whole or in part, expenses incurred by employees for the  
11 purchase of uniform apparel required in the performance of the duties of their positions, when  
12 funds have been budgeted therefore.

13  
14       An appointing authority may exercise the option to furnish such uniform as may be  
15 required in the employee's performance of his/her duties.

16  
17       The Director of Personnel may establish regulations relating to employees' eligibility for  
18 reimbursement for uniforms.

19  
20       Further, when funds have been budgeted therefore, an appointing authority may authorize  
21 reimbursement to uniformed security or correctional employees of up to fifty dollars (\$50) per  
22 incident for damage to personal property sustained while the employee was directly engaged in  
23 | quelling a disturbance while performing assigned and/or authorized duties during a shift.

1 Employees whose pay is established under Section 2(d) of the ordinance may be reimbursed for  
2 damages to personal property sustained while in the course and scope of employment in  
3 accordance with Police Department policies.

4  
5 (r) An appointing authority that requires employees to provide and maintain their own tools  
6 shall provide a tool replacement program and/or annual maintenance allowance, with the prior  
7 approval of the Director of Personnel.

8  
9 (s) (1) Contingency assignment differential may be paid for certain assignments when  
10 immediate position coverage is needed for any unexpected reason (*e.g.* death, forced leave,  
11 emergency illness, etc.) in a higher pay grade, and shall be granted at the onset of the  
12 assignment, not to extend more than one pay period. The Director of Personnel will determine  
13 the assignments for which Contingency Assignment Differential will be paid. The assignment of  
14 an employee to said assignment having a contingency assignment differential will be determined  
15 by the appointing authority from an existing eligible list and will not constitute a promotion or  
16 advancement in pay. In addition, the removal of an employee from said assignment shall not  
17 constitute a demotion or reduction in pay. If an eligible list is not available, an appointing  
18 authority may submit to the Director of Personnel the name of the employee being considered for  
19 the assignment to determine if they meet the necessary minimum qualifications for the position  
20 being considered.

21  
22 For an employee whose pay range is established in Section 2(a), 2(b) or 2(c), with the  
23 prior approval of the Director of Personnel, the contingency assignment differential will be ten

1 percent (10%) of the employee's regular base bi-weekly rate added as an addition to pay for each  
2 bi-weekly period worked or one percent (1%) of the employee's regular base bi-weekly rate for  
3 each shift assignment covered, not to exceed one (1) pay period.

4  
5 (2) Temporary assignment differential will be paid for certain assignments when a  
6 vacancy exists for any reason (*e.g.* separations, terminal vacation, leave of absence, military  
7 leave, etc.) in a position with a higher pay grade, and shall be granted for at least one (1) pay  
8 period but not more than thirteen (13) pay periods, and offset by any days that the employee by  
9 reason of absence is not fulfilling the assignment. The Director of Personnel will determine the  
10 assignments for which the temporary assignment differential will be paid. The assignment or  
11 removal of an employee from said assignment having a temporary assignment differential will be  
12 determined by the appointing authority and will not constitute a promotion, demotion,  
13 advancement, or reduction in pay. The intended employee must meet the minimum  
14 qualifications for the position to be assigned. The temporary assignment differential shall be  
15 computed as an addition to pay and not affect the employee's regular bi-weekly rate.

16  
17 For an employee whose pay range is established in Section 2(a), 2(b) or 2(c), with the  
18 prior approval of the Director of Personnel, the temporary assignment differential will be ten  
19 percent (10%) of the employee's regular base bi-weekly rate added as an addition to pay for each  
20 bi-weekly period worked, not to exceed thirteen (13) pay periods. The Director of Personnel  
21 may require the establishment of a department policy on temporary assignment differential pay  
22 and must sign off on the policy prior to authorizing temporary assignment differential.

(t) City employees who are required by their appointing authority to routinely use their personal vehicle in the performance of their duties shall be compensated by receiving a vehicle maintenance and use allowance of two-hundred seventy dollars (\$270.00) per month.

### **SECTION 3.**

#### **SUBSISTENCE AND MAINTENANCE CHARGES**

Except as otherwise provided in this ordinance, a deduction shall be made on the payroll or a cash charge shall be collected for subsistence and maintenance provided to employees at a rate to be determined by the employee's department or agency head and the Comptroller of the City of St. Louis. The department or agency head shall establish reasonable charges or deductions which have been calculated and assessed with due consideration for all identifiable costs, including labor and overhead, but shall not exceed the actual cost of the items to the City. When the Department of Personnel determines that the duties and responsibilities of a position require an employee to occupy a room or apartment, there shall be no charge for such accommodations.

### **SECTION 4.**

#### **SALARY RANGE LIMITATIONS**

No employee in the Classified Service shall be paid at a rate lower than the minimum or higher than the maximum of the salary range established for the class to which his/her position has been allocated, except as otherwise provided in this ordinance.

**SECTION 5.**

**STARTING SALARY**

(a) The rate of pay for an excepted position to be paid upon original appointment to the class shall be determined by the appointing authority for the excepted position.

(b) Except as otherwise provided in this ordinance, the minimum rate of pay for a position shall be paid upon original appointment to the class unless the Director of Personnel finds that it is difficult to secure the services of persons with minimum qualifications or experienced qualified persons at the minimum rate.

The Director may establish a recruitment rate for a single position or all positions in a class and authorize employment at an amount above the minimum but within the regular range of salary established for the class. When a recruitment rate is established for an entire class, employees already in such class may have their salaries adjusted to appropriate rates in the new range resulting from the establishment of the recruitment rate.

(c) In Skilled Trades classes, defined as those that have bona fide apprenticeship programs registered with the Department of Labor or documented attainment of equivalent apprenticeship programs, new hires who have completed such apprenticeship programs and attained journeyman status shall start at the special skills recruitment rate for the class if a special skills recruitment rate exists for the class. New hires in classes in the Trades Pay Schedule who have completed alternative training programs established and approved by the Director of Personnel, and attained

journeyman status shall also be eligible for a starting salary at the special skills recruitment rate if such a rate exists for the class.

(d) Employees with permanent status who are eligible for reemployment as determined by the Rules of the Department of Personnel shall be reemployed at an appropriate rate within the new salary range which takes into consideration the employee's prior service in the position, as determined by the Director of Personnel.

## SECTION 6.

### PROMOTION, DEMOTION, REALLOCATION, TRANSFER AND TEMPORARY PROMOTION

An employee who is transferred, promoted, demoted, or whose position is reallocated after the effective date of this ordinance, shall have his/her rate of pay for the new position determined as follows:

(a) Promotion: This shall be defined as a change of an employee in the Classified Service from a position of one class to a position of another class with a higher pay grade or a higher starting minimum salary.

(1) When an employee is promoted to a position in the General, Professional, Management, or Trades Pay Schedule, the employee's current bi-weekly rate of pay shall be set at a rate which is five percent (5%) higher than the rate received immediately prior to the

1 promotion or adjusted to the nearest step in the new pay matrix which is not less than but is  
2 closest to a rate which is five percent (5%) higher than the rate received immediately prior to  
3 promotion. An appointing authority, with the prior approval of the Director of Personnel, may  
4 increase the pay of an employee up to twenty percent (20%), adjusted to the nearest step, when  
5 such action is needed to attract experienced, qualified candidates for a position. Such salary  
6 determinations shall take into consideration the nature and magnitude of the accretion of duties  
7 and responsibilities resulting from the promotion. However, no employee shall be paid less than  
8 the minimum rate nor more than the maximum rate for the new class of position, except as  
9 otherwise provided in this ordinance.

10  
11 (2) Temporary Promotion: When an employee, whose salary range is established in  
12 Section 2(a) or 2(b), is certified and temporarily promoted to a vacant position, for a limited  
13 duration, the employee's current salary shall be adjusted as provided in Paragraph (a)(1) of this  
14 Section. Upon expiration of the temporary promotion, the employee shall be returned to his/her  
15 former rate of pay, adjusted by any increases the employee would have received in the absence  
16 of the temporary promotion. In no case shall the employee's salary be above the maximum of  
17 the salary range, unless otherwise provided for in this ordinance.

18  
19 Employees whose salary ranges are established in Section 2(c) of this ordinance, upon  
20 receipt of a temporary promotion, shall be granted the new rank with a salary adjustment based  
21 on appropriate years of service in accordance with procedures established for a regular  
22 promotion. At the end of the temporary promotion, the employee shall be returned to the rank

1 held immediately prior to the temporary promotion. The employee's rate of pay shall be based  
2 on the appropriate years of service.

3  
4 **(b)** Demotion: This shall be defined as a change of an employee in the Classified Service  
5 from a position of one class to a position of another class which has a lower pay grade and a  
6 lower starting minimum salary.

7  
8 (1) If an employee is demoted for disciplinary reasons in accordance with the Rules  
9 of the Department of Personnel and Civil Service Commission and established disciplinary  
10 procedures, his/her rate of pay shall be established at a rate within the range for the new position  
11 which is at least five percent (5%) lower than the rate received immediately prior to the demotion  
12 or reduced to the nearest step which is at least five percent (5%) lower than the rate received  
13 immediately prior to the demotion, except no employee shall be reduced below the minimum of  
14 the range unless otherwise provided for in this ordinance. The amount of the reduction shall be  
15 determined by the appointing authority, with the approval of the Director of Personnel.

16  
17 (2) If an employee accepts a voluntary demotion, his/her current rate of pay shall be  
18 reduced within the range for the new position which is five percent (5%) lower, to the closest  
19 step, than the rate received immediately prior to demotion, except that employees who are in a  
20 working test period and demote to their previous class of position or pay grade, will return to the  
21 rate or step received immediately prior to the promotion, plus any adjustments as otherwise  
22 provided in this ordinance. No employee shall be paid less than the minimum nor more than the  
23 maximum rate for the new class of position, except as otherwise provided in this ordinance.

1  
2           (3)     When an employee is demoted for reasons in the best interest of the City Service  
3 as determined by the Director of Personnel, his/her salary may be reduced by reason of the new  
4 salary range and grade with the prior approval of the Director of Personnel. If the salary of such  
5 employee is above the maximum for the new position the employee's salary shall not be  
6 increased so long as he/she remains in the position, except as otherwise provided by this  
7 ordinance.

8  
9   (c)     Reallocation:

10  
11           (1)     If the employee's position is reallocated to a class in a lower pay grade and the  
12 employee's rate of pay for the previous position is within the salary range of the new position,  
13 his/her salary shall remain unchanged or adjusted to the closest step provided the employee's rate  
14 of pay shall not be reduced.

15  
16           (2)     The salary of an employee whose position is allocated to a class in a higher pay  
17 grade shall be determined in accordance with the provisions of this Section 6(a)(1) relating to  
18 salary advancement on promotion.

19  
20   (d)     Transfer: The salary rate of an employee who transfers to a different position in the same  
21 class, or from a position in one class to a position in another class in the same pay grade, shall  
22 remain unchanged, provided that no employee shall be paid less than the minimum rate nor more

1 than the maximum rate for the new class of position, except as otherwise provided in this  
2 ordinance.

3  
4 (e) Over Maximum: The salary of an employee, which is in excess of the maximum of the  
5 range prescribed by this ordinance for the class and grade to which his/her position has been  
6 allocated or may be reallocated, shall not be reduced by reason of the new salary range and  
7 grade. The salary of such employee shall not be increased so long as he/she remains in the class  
8 of position, except as otherwise provided by this ordinance.

9  
10 **SECTION 7.**

11 **SALARY ADJUSTMENT**

12  
13 Salary adjustments for all employees in competitive positions shall be based on  
14 considerations of merit, equity, or success in fulfilling predetermined goals and objectives as  
15 herein provided.

16  
17 (a) Competitive positions for which salary is established in Section 2(a) - General,  
18 Professional, and Management Schedule; or Section 2(b) - Trades Schedule:

19  
20 (1) Any employee whose salary is established in Section 2(a) or 2(b) – General,  
21 Professional, Management, and Trades Pay Schedules, shall receive a service rating in  
22 accordance with the City's Service Rating Manual. The rating together with the standards of  
23 performance established in the rating manual shall determine eligibility for a two percent (2%)

merit increase or in the second year, a one step within-range (merit) increase at intervals as outlined in the City's Service Rating Manual or other pay regulation(s) as determined by the Director of Personnel.

(2) Employees who are appointed to a position at the special skills recruitment rate in their respective pay range in the Trades Pay Schedule as a result of the completion of a bona fide apprenticeship program and attainment of journeyman status or alternative training program established and approved by the Director of Personnel, shall be advanced to the advanced salary rate or step of their respective grade upon completion of the working test period with satisfactory service as determined by the standards established in the Service Rating Manual.

(3) A non-exempt (Overtime Code 3 or 4) employee whose pay is established in Section 2(a) or 2(b) of this ordinance who receives an Overall Rating of "Unsuccessful" as defined by the City's Service Rating Manual, shall have his/her salary reduced as determined by the standards established in the City's Service Rating Manual, but not less than the minimum of the pay grade range.

**(b)** As used in this ordinance, "anniversary date" means the date following fifty-two (52) weeks of continuous service from the date of original appointment or from the date of the last salary adjustment, if other than a temporary reduction in pay for disciplinary reasons, a demotion or an across-the-board ordinance increase, an increase resulting from an authorized incentive program, or an upgrade of the classification concurrent with adoption of the ordinance. Absence from service as a result of any authorized paid leave, suspensions, military leave, or

family/medical leave will not interrupt continuous service. Absence from service for any other cause shall result in breaking continuity of service and establishment of a new anniversary date, except as otherwise provided in this ordinance. The Director of Personnel may authorize different anniversary dates for an employee or groups of employees.

(c) An appointing authority may evaluate the performance of an employee whose salary is established in Section 2(a) or 2(b) of this ordinance for the purpose of a salary adjustment only at intervals as described above except in the case of:

(1) Exceptional performance of duties:

With the prior approval of the Director of Personnel, the appointing authority in accordance with the Service Rating Manual, may advance the salary of an employee who demonstrates exceptional performance of duties after serving twenty-six (26) weeks of employment at the same rate in the salary range by not more than ten percent (10%) or to the closest step in the pay range which provides not more than a ten percent (10%) increase; this may be in addition to any merit increase received.

(2) Substandard performance of duties:

An appointing authority may reduce the salary of an employee whose level of performance is significantly diminished and no longer warrants payment at the current rate within the range as provided in the City's Service Rating Manual; providing the employee's

1 salary is above the minimum of the range, established in Section 2(a) or 2(b) and allocated to  
2 Overtime Code 3 or Overtime Code 4.

3  
4 The granting of any such increase or decrease in salary shall be made at the beginning of  
5 a payroll period, as determined by the Director of Personnel, following approval of such salary  
6 action.

7  
8 **(d)** Competitive positions for which salary is established in Section 2(c) - Fire Department  
9 Schedule:

10  
11 All employees in the Fire Department Pay Schedule shall have a service rating completed  
12 in accordance with the City's Service Rating Manual.

13  
14 The salaries established in Section 2(c) of this ordinance shall be changed in accordance  
15 with Section 31 of Article XVIII of the City Charter concurrently with a change in the salaries  
16 for equivalent and corresponding ranks of officers of the Police force of the City of St. Louis.

17  
18 Probationary Fire Privates shall be advanced to the rate for Fire Privates at the beginning  
19 of the first bi-weekly pay period following one (1) year of service. Probationary Fire Equipment  
20 Dispatchers shall follow the same schedule.

21  
22 **(e)** Competitive positions for which salary is established in Section 2(d) – Police Department  
23 Schedule:

1  
2 All employees in the Police Department Pay Schedule shall have a service rating  
3 completed in accordance with the City's Service Rating Manual.  
4

5 Police Probationary Officers who successfully complete their working test period shall be  
6 advanced to the rate for Police Officer at the beginning of the first bi-weekly pay period during  
7 which such officer's one (1) year anniversary as a Probationary Police Officer occurs, excluding  
8 his/her initial time in training at the Police Academy.  
9

10 **(f)** Excepted Positions: The pay of an employee in an excepted position shall be adjusted to  
11 any rate within the pay range at the discretion of the appointing authority for the excepted  
12 position.  
13

14 **(g)** The Director of Personnel may approve, at the request of an appointing authority,  
15 adjustments to correct or mitigate serious and demonstrable internal pay inequities. Salary  
16 adjustments under this provision shall preclude adjustments to compensate or reward employees  
17 for long-term or meritorious service.  
18

19 **(h)** The pay of any employee may be decreased as a disciplinary action by an appointing  
20 authority to a lower rate. Any such decrease shall be made in accordance with the established  
21 disciplinary procedures. The decrease shall not be greater than fifteen percent (15%) of the  
22 current salary rate. The decrease may be below the minimum of the pay range for the class. The  
23 appointing authority may determine the pay decrease shall be effective for a specific number of

bi-weekly pay periods provided, however, that such decrease shall not be effective for more than thirteen (13) bi-weekly pay periods.

(i) An employee who is temporarily promoted shall be eligible for within range salary adjustments under provisions of this Section 7.

(j) The Director of Personnel may approve a within range salary adjustment or other incentives to retain employees in positions that are difficult to fill, or because of their unique requirements. Said adjustment may only be granted once during a twenty-six (26) week period.

## SECTION 8.

### INCOME SOURCES

Any salary paid to an employee in the Classified Service shall represent the total remuneration for the employee, excepting reimbursements for official travel and other payments specifically authorized by ordinance. No employee shall receive remuneration from the City in addition to the salary authorized in this ordinance for services rendered by the employee in the discharge of the employee's ordinary duties, of additional duties which may be imposed upon the employee, or of duties which the employee may undertake or volunteer to perform.

Whenever an employee not on an approved paid leave works for a period less than the regularly established number of hours a day, days a week or days bi-weekly, the amount paid

1 shall be proportionate to the hours in the employee's normal work week and the bi-weekly rate  
2 for the employee's position. The payment of a separate salary for actual hours worked from two  
3 (2) or more departments, divisions or other units of the City for duties performed for each of  
4 such agencies is permissible if the total salary received from these agencies is not in excess of  
5 the maximum rate of pay for the class.

6  
7 **SECTION 9.**

8 **CONVERSION**

9  
10 **(a)** Pay schedules in Sections 2(a) and 2(b) in Ordinance 69189 and Section 2 in Ordinance  
11 69617 shall continue in effect until the beginning of the first bi-weekly pay period starting after  
12 the effective date of this ordinance, and the rates to be paid to employees in positions of any  
13 classes for which a rate is established or changed in Section 2(a) and 2(b) of this ordinance shall  
14 become effective and be adjusted (if necessary) as follows:

15  
16 **(1)** The salary of each employee whose pay range is established in Section 2(a) or  
17 2(b) of this ordinance whose class has been allocated to a higher pay grade in the appropriate pay  
18 schedule as determined by the Director of Personnel shall have their current salary increased to a  
19 rate, rounded to the nearest whole dollar, which is not less than but is closest to a rate which is  
20 five percent (5%) higher than the rate received immediately prior to promotion, but not less than  
21 the minimum of the pay range, whichever is the greater.

(2) The salary of each employee whose pay range is established in Section 2(a)(2) and 2(b)(2) of this ordinance shall upon June 14, 2015 be placed in the matrix according to the respective pay grades at the step that is closest to their current salary. If an employee's salary is between steps, the employee's salary shall be placed at the higher step.

(b) No employee shall be reduced in salary by reason of the adoption of the new pay schedules in this ordinance.

(c) The salary of an employee serving in a trainee position, which remains above the new trainee rate for his/her position, shall remain unchanged.

(d) The Director of Personnel may establish a special conversion procedure for a class or position in the event that the Director determines that a serious inequity would be created by the application of the conversion procedures established in this Section 9.

## **SECTION 10.**

### **PAYMENT OF SALARIES**

1 various payrolls. The payment due each employee for service, except as otherwise provided,  
2 shall be made not later than sixteen (16) days after the end of the bi-weekly pay period. In the  
3 event that an employee is dismissed or has been employed for occasional or emergency work, the  
4 Comptroller may immediately pay the employee upon termination of service without waiting for  
5 the regular bi-weekly pay date of the Department, Division, Section, Office, Agency, Board or  
6 Commission where the employee worked.

7  
8 **SECTION 11.**

9 **CHANGES TO CLASSIFICATION PLAN**  
10

11 Whenever the Department of Personnel finds it necessary to add a new class to the  
12 classification plan, the Director of Personnel shall allocate the class to an appropriate grade and  
13 schedule in this ordinance, recommend such change to the Civil Service Commission, and notify  
14 the Board of Aldermen of this action.

15  
16 Whenever the Department of Personnel finds it necessary to change the overtime code of  
17 an existing class within the classification plan, the Director of Personnel shall change the  
18 overtime code, recommend such change to the Civil Service Commission, and notify the Board  
19 of Aldermen of this action.

20  
21 Whenever the Department of Personnel finds it necessary to change the pay schedule of  
22 an existing class within the classification plan, the Director of Personnel shall allocate the class

1 to the appropriate schedule in this ordinance, recommend such change to the Civil Service  
2 Commission, and notify the Board of Aldermen of this action.

3  
4 The pay grade allocated to a class of position within the classification plan shall remain  
5 unchanged for the duration of the existing compensation ordinance. Whenever the Department  
6 of Personnel considers it necessary to change the pay grade of an established class of position,  
7 such adjustment can only be made concurrent with the adoption of a new compensation  
8 ordinance. Recommendation for the allocation of a new pay grade shall be made by the Director  
9 of Personnel to the Civil Service Commission for final approval by the Board of Aldermen.

10  
11 **SECTION 12.**

12 **PAYROLL FORMS**

13  
14 The Director of Personnel shall prescribe forms on which appointing authorities shall

16 appointment of a person to fill the position. The Director of Personnel shall indicate on these  
17 forms the proper allocation of the position and the rate at which payment is to be made. When  
18 approved by the Director of Personnel and submitted to the Comptroller, these forms shall  
19 constitute authorization for the initial placing of a person's name on the payroll. The  
20 Comptroller shall not authorize any change in the rate of pay of an individual on the payroll  
21 unless approved by the Department of Personnel. The Comptroller shall provide the Department  
22 of Personnel with a copy of each payroll audited and found correct within twenty-one (21) days

**CERTIFICATION OF PAYROLL**

The appointing authority shall certify on each payroll or a subsidiary document that each person whose name appears on the payroll has been lawfully appointed at a salary provided by this ordinance and that the employee has actually worked the time for which he/she will be paid, subject to the provisions of this ordinance governing hours of work and leaves of absence in the Classified Service.

**SECTION 14.**

**MINIMUM WORK HOURS**

Each appointing authority shall establish procedures to assure that the employees under his/her supervision are actively engaged in the performance of the duties of their positions in accordance with the provisions of this section.

Each appointing authority shall submit to the Department of Personnel the work schedule established for each position in the work unit. Work schedule reports shall be submitted upon request of the Director of Personnel or whenever the appointing authority proposes to change the permanent work schedule of a position. The work schedule submitted by the appointing authority shall constitute the normal work schedule for the position when approved by the Director of Personnel.

1  
2 All employees in the Classified Service shall be in attendance at their work in accordance  
3 with schedules established under the provisions of this Section 14, subject to other provisions of  
4 this ordinance with respect to hours, holidays, vacation, medical leave, furloughs, sick leave,

6  
7 **(a)** Employees whose salaries are established in Section 2(a) or 2(b): Forty (40) hours shall  
8 constitute the average minimum required weekly hours of service in an employment cycle under  
9 regular full-time employment for all City employees paid on a bi-weekly basis occupying  
10 competitive positions in the Classified Service. The minimum daily and annual service required  
11 of such employees shall be in proportion to the average minimum weekly hours established.

12  
13 Appointing authorities shall so arrange the time for reporting for work, for luncheon  
14 intermission, and for quitting work of the various employees under their jurisdiction so that the  
15 employees will actually be engaged in active performance of their duties for not less than the  
16 average minimum number of hours required.

17  
18 **(b)** Management and Professional Employees: Appointing authorities for employees  
19 occupying full-time positions whose salaries are established in Section 2(a) of this ordinance  
20 shall initiate procedures to see that such employees are engaged in the performance of their  
21 duties on a full-time basis. Full-time employment for any employee whose classification is  
22 denoted in the Management Schedule or Professional Schedule shall be defined as an average of  
23 forty (40) hours per week of time devoted to the duties of the position on an annual basis.

1  
2 (c) Uniformed Fire Personnel: Fifty-two (52) hours shall constitute the average required  
3 weekly hours of service in an employment cycle under regular full-time employment for all  
4 employees in the Division of Fire and Fire Prevention whose salaries are established in  
5 accordance with the provisions of Section 31 of Article XVIII of the City Charter, except that the  
6 appointing authority, with the approval of the Director of Personnel, may determine that the  
7 minimum work hours provision of Section 14(a) shall apply to employees in certain positions  
8 due to the nature of the assignment and/or scheduling requirements. The appointing authority  
9 shall so arrange the time for reporting for work and for quitting work of the various employees  
10 under the appointing authority's jurisdiction so that the employees will actually be engaged in the  
11 active performance of their duties for not less than the average number of hours required.

12  
13 (d) The work period for employees whose pay is established in Section 2(d) of this ordinance  
14 is twenty-eight (28) days. The daily work period for an employee in the position of Police  
15 Probationary Officer and Police Officer is eight (8) hours which includes a thirty (30) minute  
16 meal period. The meal period is counted as working time; however, an officer unable to take a  
17 meal break will not receive additional compensation. The daily work period for an employee in  
18 the position of Police Officer Trainee is eight (8) hours. Additionally, Police Officer Trainees  
19 shall receive a thirty (30) minute unpaid meal period that shall not be counted as part of their  
20 daily work period or work day.

22 **SECTION 15.**

23 **OVERTIME**

January 9, 2015

Page 77 of 128

Board Bill No. 238CS Introduced by Alderman Frank Williamson

1  
2 (a) The Department of Personnel shall determine those positions in the Classified Service of  
3 the City of St. Louis which are exempt from overtime compensation and those positions which  
4 are not exempt from overtime compensation. The overtime codes established for each class in  
5 Section 1(a) of this ordinance shall be interpreted as follows:

6  
7 OVERTIME CODE (OVTM):

8  
9 1 These classes are primarily managerial in nature, but may also include  
10 some professional or administrative classes that are ineligible for overtime  
11 pay under all but emergency conditions as described in Section 15(d) of  
12 this ordinance.

13  
14 2 These are supervisory, professional, and administrative classes that are  
15 exempt from overtime compensation, but which the City compensates for  
16 overtime at the straight (1.0x) time rate.

17  
18 3 These are non-exempt classes that receive overtime compensation at the  
19 one and one-half (1.5x) time rate.

20  
21 4 These non-exempt classes work an average bi-weekly work schedule of 84  
22 hours and, therefore, receive overtime compensation at the one and one-  
23 half (1.5x) time rate.

1  
2 Appointing authorities are prohibited from changing employee work schedules to avoid  
3 the payment of overtime.  
4

5 For purposes of determining overtime pay rates for non-exempt employees, the regular  
6 hourly rate of pay shall be used.  
7

8 Any employee in a class which has been allocated to Overtime Code 4 (non-exempt) in  
9 Section 1(a) of this ordinance shall be compensated for overtime by granting the employee pay  
10 or compensatory time off at the one-and one half (1.5x) time rate. Each appointing authority  
11 shall designate and submit to the Director of Personnel the official work week or work cycle for  
12 all non-exempt (Code 4) positions in the work unit. Whenever a non-exempt (Code 4) employee  
13 works in excess of forty (40) hours in a work week, the employee will be paid at the one and one  
14 half time (1.5x) rate. The average number of scheduled hours in a bi-weekly pay period shall not  
15 be less than eighty-four (84) for full-time employment. The regular hourly rate of pay for a non-  
16 exempt (Code 4) bi-weekly paid employee shall be determined by dividing the employee's  
17 regular bi-weekly rate of pay by the average number of regularly scheduled hours of work in a  
18 bi-weekly pay period. In addition to the actual hours worked, vacation, and compensatory time  
19 only shall count as hours worked for the purpose of determining eligibility for overtime  
20 compensation.  
21

22 Any employee in a class which has been allocated to Overtime Code 3 (non-exempt) in  
23 this ordinance shall be compensated for overtime work in accordance with the provisions of this

January 9, 2015

1 section. Each appointing authority shall designate and submit to the Director of Personnel the  
2 official work week and schedule or work cycle for all non-exempt positions in the work unit.  
3 The average number of scheduled hours in a bi-weekly pay period shall not be less than eighty  
4 (80) for full-time employment.

5  
6 Whenever an Overtime Code 3 employee whose pay matrix is in Section 2(a) or 2(b),  
7 works hours in excess of the maximum established for an official work week or work cycle,  
8 usually forty (40) hours in a work week such hours shall be paid at the one-and-one-half time  
9 (1.5x) rate. In addition to the actual hours worked, vacation, and compensatory time only shall  
10 count as hours worked for the purpose of determining eligibility for overtime compensation.

11  
12 Overtime Code 3 employees whose pay matrix is in Section 2(c) of this ordinance who  
13 are working a nineteen (19) day work cycle are eligible to receive overtime after one hundred  
14 forty-four (144) hours are worked in a work cycle, except that the Fire Department shall pay  
15 overtime for emergency work at the end of a shift or emergency work required on a separate,  
16 non-scheduled day, even if the total number of hours worked in the work cycle is not in excess of  
17 one hundred forty-four (144) hours. However, these employees shall not receive additional  
18 compensation for regularly scheduled hours in excess of one hundred forty-four (144) hours if  
19 they do not actually work more than one hundred forty-four (144) hours in the work cycle  
20 because of paid leave (vacation, compensatory time and "O" days will count toward required  
21 minimum hours worked to qualify for overtime). Days scheduled off to reduce average work  
22 week to fifty-two (52) hours, compensatory time, vacation, "O" days and holiday time shall be

1 scheduled consistent with a reasonable vacation and holiday leave policy to avoid the necessity  
2 of actually working more than one hundred forty-four (144) hours during any work cycle.

3  
4 Police Officer Trainees, Police Probationary Officers and Police Officers – whose pay is  
5 established in Section 2(d) of this ordinance shall be paid overtime, defined as one and one-half  
6 times (1.5x) the employee’s regular standard rate of pay, for all hours worked in excess of their  
7 eight (8) hour work day or any hours worked on a scheduled day off. Only hours actually  
8 worked shall count toward overtime pay.

9  
10 Police Sergeants – whose salary is established in Section 2(d) of this ordinance shall be  
11 paid overtime, as defined as one and one-half times (1.5x) the employee’s regular standard rate  
12 of pay, for all hours actually worked in excess of one hundred seventy-one (171) hours in a  
13 twenty eight (28) day work period.

14  
15 **(b)** Any employee in a class which has been allocated to Overtime Code 2 in Section 1(a) of  
16 this ordinance shall be compensated for overtime by granting the employee pay or compensatory  
17 time off at the straight (1.0x) time rate. Each appointing authority shall designate and submit to  
18 the Director of Personnel the official work week or work cycle, which is usually forty (40) hours,  
19 for all exempt (Code 2) positions in the work unit. Whenever a full-time employee in an exempt  
20 (Code 2) position is directed by management, with the approval of the appointing authority, to  
21 work hours in excess of the maximum established for an official work week or work cycle it  
22 shall be considered overtime. In addition to the actual hours worked, vacation, and  
23 compensatory time only shall count as hours worked for the purpose of determining eligibility

1 for overtime compensation. Straight time (1.0x) overtime shall be compensated at the  
2 employee's regular hourly rate of pay, or by granting the eligible employee compensatory time  
3 off at the rate of one (1) hour for each hour of overtime worked. The average number of  
4 scheduled hours in a bi-weekly pay period shall not be less than eighty (80) for full-time  
5 employment. The regular hourly rate of pay for an exempt (Code 2) bi-weekly paid employee  
6 shall be determined by dividing the employee's regular bi-weekly rate of pay by the average  
7 number of regularly scheduled hours of work in a bi-weekly pay period.

8  
9 (c) Part-time bi-weekly paid employees and employees paid on an hourly or per performance  
10 basis shall be compensated for overtime work in accordance with the overtime provisions of this  
11 section and with consideration for community practices in compensating similar employment.

12  
13 (d) An appointing authority may compensate Overtime Code 1 employees at the straight-  
14 time (1.0x) rate, when both of the following conditions exist: 1) the Mayor of the City of St.  
15 Louis declares an emergency due to serious and protracted conditions which threaten continuous  
16 City Service, preservation of public peace, health, or safety, and 2) the appointing authority  
17 directs an employee or group of employees to work in excess of forty (40) hours per week. The  
18 appointing authority shall maintain attendance records of the assignment(s) and submit such  
19 records at the request of the Director of Personnel.

20 (e) Employees who wish to use compensatory time earned in lieu of pay must make their  
21 request in writing at least twenty-four (24) hours in advance of the day or days requested. The  
22 appointing authority shall keep in mind the staffing needs of the department when granting time  
23 off, but in any case time off will not be unreasonably denied.

1 Pay shall be the regular method of compensation for recorded overtime hours of work for  
2 employees in classes with Overtime Code 3 and Overtime Code 4. However, an appointing  
3 authority shall compensate a non-exempt bi-weekly paid employee for overtime work by  
4 granting the employee compensatory time off in lieu of pay only if the employee requests  
5 compensatory time, in writing.

6  
7 Employees engaged in public safety, emergency response or seasonal activity as defined  
8 by the Director of Personnel may have a maximum balance of two hundred forty (240) hours of  
9 compensatory time; except that Police Officer Trainees, Police Probationary Officers, Police  
10 Officers, and Police Sergeants shall only be allowed to accumulate up to forty (40) hours of  
11 compensatory time. All other employees are allowed a maximum balance of one hundred twenty  
12 (120) hours of compensatory time excluding compensatory time earned for working on a  
13 holiday. These maximum balances of compensatory time shall apply to employees working an  
14 average work week of forty (40) hours; the maximum balance of compensatory time for  
15 employees whose average work week is more or less than forty (40) hours shall be proportionate.  
16 No provision of this section establishing a maximum balance of compensatory time shall serve to  
17 cancel any compensatory time due to an employee or to deny an employee payment for recorded  
18 compensatory time earned in accordance with the provisions of the compensation ordinance in  
19 effect at the time the compensatory time was earned.

20  
21 Each appointing authority shall establish procedures to assure that non-exempt employees  
22 are promptly granted time off when such employees request to use their earned compensatory  
23 time. Appointing authorities may not deny non-exempt employees' requests for earned

1 compensatory time off except when such approval would create an extreme business hardship.  
2 For employees occupying the position of Police Officer Trainee, Probationary Police Officer,  
3 and Police Officer compensatory time may be used at such times and in such blocks as are  
4 mutually agreed upon between the supervisor and the employee and it shall not be unreasonably  
5 denied by the supervisor if operating requirements will not be adversely effected. When an  
6 appointing authority determines that the work schedule of the organization will not permit the  
7 granting of such time off, the appointing authority shall pay the employee in that same pay  
8 period for all or a portion equivalent to the time requested of the employee's accrued  
9 compensatory time. This provision requiring the prompt granting of requested time off applies  
10 only to compensatory time that is earned as a result of the employee working overtime; it does  
11 not apply to compensatory time earned as a result of an incentive program or bonus award  
12 program.

13  
14       Compensatory time earned by exempt employees shall be granted at the discretion of the  
15 appointing authority and upon request of the employee.

16  
17 **(f)** Before an employee is transferred, promoted or demoted from a position under one  
18 appointing authority to a position under another appointing authority or to another unit with a  
19 different appropriation, all compensatory time shall be granted or paid. Upon termination all  
20 compensatory time shall be paid. Upon the death of an employee, the person or persons entitled  
21 by law to receive any compensation due to the employee shall be paid any amount due to the  
22 employee on the date of death.

(g) All departments shall keep daily attendance records of classified employees and shall submit periodic reports of: 1) unexcused absences and leaves; 2) overtime earned, granted, and paid; or 3) the nonoccurrence of same to the Director of Personnel in the form and on the dates specified.

17 This may be done a maximum of once in each calendar year. Management employees may  
18 request payment from the appointing authority for up to an additional forty (40) hours of their

Upon the expiration of military leave of absence, the employee shall be reinstated to the class of position he/she occupied at the time the leave was granted without breaking continuity of service. 15 family/medical leave.

20 thereafter.

21  
22       Employees must take all of their accrued time (sick leave, medical leave, vacation leave)  
23 prior to being placed on leave without pay status for approved Family and Medical Leave, except

employees can keep one (1) week of vacation hours (if they have accrued one (1) week of vacation and are eligible to take them). Employees will be allowed to use all their compensatory time, if requested by employee.

(c) Any employee in a competitive position who is appointed to an excepted position in the Classified Service shall be granted an in-service leave without pay from the competitive position during the term to which he/she is appointed to the excepted position. Such leave shall be for the term of the appointment to the excepted position and until his/her successor qualifies. Upon the expiration of the appointment to the excepted position, the employee shall be reinstated to the competitive position he/she occupied immediately prior to the in-service leave. The employee shall be reinstated to the competitive position as under a temporary promotion pursuant to Section 6(a)(2) of this ordinance. Employees who are returned to a competitive position shall retain any vacation, compensatory time, sick leave, or medical leave balance in effect at the time of granting of the leave of absence for appointment to the excepted position. Employees shall be given credit for time spent in an excepted appointment in computing eligibility for additional vacation leave accrual.

(d) In the event that emergency conditions occur which require the closing of City-operated facilities or the temporary cessation of functions carried out by classified employees, the Mayor of the City of St. Louis may declare an emergency and require an employee or group of employees to take leaves of absence with or without pay while such emergency conditions exist. In the event that the Mayor requires that the leave of absence be without pay, an employee with vacation or accrued compensatory time may elect to take the accrued time off with pay in lieu of

1 all or a part of such non-paid leave of absence. Such non-paid leave of absence shall not  
2 interrupt continuity of service for vacation accrual. An emergency leave of absence declared by  
3 the Mayor shall not exceed ninety (90) days.

5 (e) Employees who are granted general leaves of absence and other non-paid leaves of  
6 absence, except military leave, must take all accrued vacation at the start of the leave of absence.

8 and medical leave during the period of non-paid leave. Upon the expiration of such leaves of  
9 absence, the employee shall follow the procedures as established in this Section 22 and any other  
10 applicable regulations and procedures as established by the Director of Personnel.

11  
12 (f) An appointing authority, with the prior approval of the Director of Personnel, may put an  
13 employee on a forced leave of absence with or without pay pending the outcome of an  
14 investigation or of a pending disciplinary action against the employee. Employees being placed  
15 on forced leave may elect to be placed on either vacation leave or compensatory time.

16  
17 (g) In the event that a fiscal crisis occurs in the City of St. Louis, employees may request  
18 voluntary furloughs. The Director of Personnel may issue regulations to govern the furlough

3 payments are made for such temporary disability in accordance with the Missouri Workers'  
4 Compensation Law.

16 amount the employee would otherwise pay in taxes on that portion of the benefit found to be  
17 exempt from taxation under the Missouri Workers' Compensation Law, or the federal tax code.  
18 Disability leave may also be granted when an employee suffers injury as a result of participation  
19 in Training Simulation of an exceptional and highly dangerous nature wherein the appointing
